April Announcements and News at Georgian Heights

Tracee Givens, Executive Director

Just a quick note to say that we are aware of the unfortunate challenges with the driveway that this winter has provided us. The patching will be occurring in the spring once we are safely through the snow removal and frost etc. Thank you for your patience and understanding in this matter.

Lee Berner, Office Manager

Please remember to file your 2017 Income tax returns.

If you are in a basic accommodation and are applying for a rate reduction, you need to hand in your

Earth Day April 22

Earth Day is an annual event celebrated on April 22. Worldwide, various events are held to demonstrate support for environmental protection. First celebrated in 1970, Earth Day events in more than 193 countries are now coordi-

2017 Notice of Assessment by July 1, 2018.

Hannah Greig, Resident Program Manager

We have many exciting events taking place once again this month. We are going to start doing a few theme days this month. April 4th will be Pizza Day, and April 11th will be Maple Syrup Day.

With Spring being here, we are going to be starting our veggies inside this month. We will also be working to get the patio cleaned up.

Nicer weather means we are getting out more often. We will be going to East Side Mario's for lunch this month, as well as out

monthly shopping trip to Wal-Mart.

April 22 is Earth Day .

There are so many little things you can do to celebrate and help save the Earth, and we've got 10 super easy ideas below!

Plant something. ...

Ride your bike. ...

Let your voice be heard. ...

Attend an event. ...

Buy reusable bags. ...

Use a refillable water bottle. ...

Get produce from a local farmer's market. ...

Shop smart for clothes.

nated globally by the Earth Day Network..

Why it's Important. Our planet is truly a magnificent place. Known as the Blue Planet due to its abundance of water, the Earth is an incredibly complex and vibrant

ecosystem, where living organisms interact with each other and their environment to create the ideal conditions for life.
