February at Georgian ☺

The second month of 2019 is here! February brings us Ground Hog Day, Super Bowl Sunday, Valentines Day, Chinese New Year, and Family Day. That's a lot of action for one month!

We will be discussing all about Ground Hogs on Feb.2. Residents will be indulging in a Super Bowl Supper on February 3rd and a Chinese New Year Lunch on February 5th. Valentines Day brings another Come and Go Tea to Georgian Heights. We invite family and friends to join us on February 14th from 2pm-4pm. Stop in for some afternoon treats and chit chat. Please R.S.V.P to Jenna.

We've welcome a new Activation Aide to the Program Department. Kim Thompson will be joining us every Wednesday to provide residents with some 1:1 programming and lunch programs. She has previous Long Term Care home experience and is a great asset. She is glad to be back working with seniors in her community.

As usual there will also be many other programs throughout the month for the residents to enjoy that highlight "The 5 Domains" of recreation (Physical, Intellectual, Emotional, Spiritual and Social)

The 5 Domains explained (P.I.E.S.S)

Social: to encourage social interaction in a fun & non-threatening environment.

Physical: provide an exercise program that is fun, safe, and appropriate for all.

Intellectual: to encourage thought processes involving strategic thinking, logic, and decision making.

Emotional: to provide an opportunity for residents to express thought and feelings though creative processes and accomplishments.

Spiritual: to provide opportunity to engage in inspirational, spiritual and religious programming in a non-threatening environment and promote self esteem.

If you are in Basic Accommodation and would like to apply for a rate reduction by July 1, you must remember to file your 2018 income tax and hand in your 2018 Notice of Assessment as soon as you receive it from Revenue Canada. I also have a Rate Application form that you must fill out in order to apply.

If you have any questions regarding this please call me.

Lee Berner, Office Manager
