Merry Christmas

December 31  
NYE Social

December is here! This brings another busy month ahead for the staff and residents of Georgian Heights.

Unfortunately, we are unable to host our annual Come and Go Christmas Tea this year due to the current circumstances. We will still be celebrating the holidays at Georgian Heights with many other festive activities to get into the Christmas Spirit! We are already glowing with all of the decorations!

Georgian Heights is asking family/friends to please bring in a gift for your family member to open on Christmas morning. Help make it extra special! Please bring presents to the front door for drop off by Monday, December 20th.

Have a wonderful holiday season!

Jenna Bunn, Program Manager

Holiday Season

### WET BOOTS

With winter weather arriving, that means wet boots.

Please remember to take wet boots off at the front door. This helps prevent wet floors and possible falls. Very important for resident safety!

Visitors will be asked to follow these IPAC procedures while in the home. If they are not followed, discontinuation of visits may occur.

- Put on brand new surgical mask provided by the home.
- Sanitize hands before entering the building.
- Leave personal items in vehicle (coat, bag, phone etc.) Bring only what you need.
- Visitors who are not Caregivers must remain 6 ft from resident/s.
- Caregivers must stay 6 ft from all other residents than the one they are visiting.
- Do not share with or pass items to resident.
- Do not remove Mask
- Do not move around the home. Stay in the designated area.
- Do not visit with other residents.
- If assistance is needed, please ask staff.
- Wash/sanitize hands often while in the building.

*Happy holidays from everyone at Georgian Heights!*
