Residents Council

Residents have been enjoying many different summer activities at Georgian these past couple months.

The residents and staff had so much fun with the mini horses and a bunny that came to visit in July. We also took a trip to Story Book Park where we rode the train, had a BBQ and fed the various animals.

In August residents enjoyed their trip to Big Bay for ice cream and a lunch outing to Harrison Park Inn for fish and chips. We held a Wedding Shower for our PSW Nicole, residents were pleased to celebrate and gave out tips for a long and happy marriage and then proceeded to make her a dress out of toilet paper! (See below).

Residents Council has been working with program staff creating tie dye t shirts and selling them as a fundraiser. So far it has been very successful! If you are interested in purchasing a shirt to support Residents Council, please let Jenna know (\$20.00)

Residents are hoping for more nice weather in September and have a picnic lunch at a beach and Harrison Park.

The program department plans on keeping the fun going for fall! If you ever have any questions regarding a program scheduled on the calendar, please feel free to reach out to *Jenna Bunn, Program Manager* at (519) 371-1441.
